

Letter of
Recommendation

By:

Eureka Baptist Church

Rev Lenell Mcgee

Chicago, IL 60609

March 15, 2013

To Whom It May Concern:

I am writing this letter of recommendation on behalf of Nathaniel Hosen. Nathaniel was the general contractor for our remodeling project for the exterior of Eureka Baptist Church. The scope of the remodeling involved the entire roof of the church. In addition, Nathaniel assisted in getting the whole roof approved by the insurance company, after several denials by our own attempts. Nathaniel was very helpful in accessing the damages and processing information with the insurance company.

Nathaniel and his work crew did a great job in replacing our roof with upgraded building materials. Eco Shield Home Design provided us with a manufacture's and labor warranties.

Nathaniel's prior experience in construction really paid off. He was knowledgeable about every detail of the project; he managed and coordinated the work crews effectively throughout the project from start to finish. Nathaniel made sure every aspect of the roof's structure was up to date on the current city building codes. These upgrades and warranties gave us a peace of mind knowing our roof is protected and in top shape.

Sincerely,

A handwritten signature in black ink, appearing to read "Rev. Lenell Mcgee". The signature is written in a cursive style with a large initial "L" and "M".

Rev. Lenell Mcgee
